

Lourdes M. Guerrero DMD, MS

General Dentist

305-490-4595

| Clearwater, FL

| www.guerrerodentistryco.com

Dear Hiring Manager,

I am writing to express my interest in joining your practice as a general dentist. With my background in dentistry and dedication to providing exceptional care, I am confident that I can be a valuable addition to your team.

Having gained extensive experience during my time at Western University I have developed a comprehensive skill set that spans across modern dental procedures, patient management, and effective collaboration with clinical teams.

I thrive in environments where collaboration and a positive, energetic atmosphere are prioritized. I believe that my skill set, combined with my ability to connect with patients, will help foster loyalty and drive growth for the practice. After all, when patients feel seen and heard, they keep coming back—and they bring their friends and family with them.

I'd love the chance to connect about how I can contribute to your practice's success while continuing to grow as a dentist. Thank you for considering my application, and I look forward to the possibility of joining your team.

Respectfully Yours,

Lourdes Guerrero
